We are pleased to learn that you are planning to purchase a Condominium unit in Leisure Village. We are very proud of our community and believe it is one of the most desirable retirement facilities on Long Island.

Leisure Village is a large complex of 1500 condominiums located on 240 desirable acres. We have a nine hole par three golf course, swimming pool and attractive patio facilities. Our Recreation Complex is the center of our social activities and it contains a large auditorium as well as woodworking, ceramic, lounge, library, billiard room, and fitness center.

The Board of Directors of Leisure Village Association Corporation is authorized to manage and administer the day to day business operations and implement the By Laws and Rules and Regulations which codify the responsibilities of the resident of Leisure Village.

Prospective buyers must realize that they are trading certain individual decision making for the benefits derived from community living. The binding Leisure Village Rules and Regulations are designed for the good of our Association and our Residents. Voluntary compliance with established Association Rules and Regulations by all Residents are obligatory.

New residents are strongly urged to carefully read the Condominium Offering Plan and the Rules of Regulations Blue Book which describe the responsibilities and obligations of a unit owner.

Leisure Village is a community of self-sustaining individuals who enjoy the privacy, safety and tranquility of retirement living. Leisure Village is not an assisted living facility. The Association is unable to provide the medical and social care of residents who are not capable of independent living. Potential residents who are not able to live independently are strongly urged to consider an Assisted Living Facility.

For over 50 years Leisure Village has been a very attractive and desirable Retirement Community. Residents are encouraged to participate in our social activities that are planned and administered by our recreational staff.

# IMPORTANT INFORMATION FOR NEW OWNERS

Please be advised that Leisure Village is a gated community with Security 24/7 and entry will not be permitted to any moving van or vehicle of a new resident without proper notification from the Administration Office. This can only be obtained by contacting the Treasurer's Office. Please note that movers/contractors are not permitted into the community before 8am.

You must call the Treasurer's Office at 744-1660 (Monday – Friday from 8:00 am to 4:00pm) once you receive your **confirmed closing date** for access into the Village and to schedule the mandatory registration appointment you are required to attend. Your registration appointment takes place after closing.

If you fail to contact us you will have a difficult time getting into the Village, especially if your closing takes place on or over a weekend.

The scheduled registration appointment will be held in the Treasurer's Office of Leisure Village located in the Administration Building in the complex. **NO WALK-IN REGISTRATIONS ARE ACCEPTED.** It is necessary for you to provide us with proof of your age since there is an age requirement for living in the Village (one resident must be 55 years old-please refer to condo offering plan and rules).

During your registration you will be receive a photo ID (**residents living in the Village only**), receive a packet of important information, and have an orientation to answer questions to help you with your adjustment into condo living. If you are a resident owner (person actually living in the Village) and have a valid car registration and license, you will need a bar code to gain access into the community. We will need a copy of your license and valid registration (\$15.00 fee required). If you are a resident who does not drive, and you do not have a car registered in your name, your license or state identification will be used as your entry into the Village.

**Please keep in mind that you cannot make any renovations to your condo without first contacting the Administration Office of Leisure Village for the proper paperwork and permits.**

Looking forward to meeting you!!!

Dear Purchaser,

This is to inform you that all the units in Leisure Village Association, Inc. are protected by Fire Alarms. Fire Alarm inspections are mandated by the Town of Brookhaven and are conducted twice a year. You must be present or make an arrangement for someone to be there on those days. The schedule of inspections done each month can be found in the monthly Leisure Topics Newsletter. It is your responsibility to check this calendar each month to watch for your unit's next inspection date. There is a penalty charge of \$100.00 for missed inspections.

Owners of "A" units must keep electric current to the Fire Alarm Panel in the "ON" position at all times and the electric must never be turned off to that panel. This also applies to units' 237-B, 435-C, 460-B, 461-B, and 483-D which house the Fire Alarm Panel because there is no panel in the "A" units in those Condos.

The next Fire Alarm Inspection for Unit \_\_\_\_\_ will take place in the month of \_\_\_\_\_. You can contact the Administration Office at 744-0473 to find out the exact date of the next inspection. Any questions you might have regarding fire alarms will be answered on this line.

I will comply with the above regulations to the best of my ability. Read and signed by:

To All Potential Residents of Leisure Village,

Included is some important information you should be aware of prior to the closing of your new home.

The insurance carrier for Leisure Village has found that some of the circuit breaker panels are quite outdated. There is a concern for safety, and we are highly recommending that anyone with a Federal Pacific panel, replace it. Replacement is at the homeowner's expense.

The Town of Brookhaven Fire Marshal has informed us that some units have outdated heat sensors that need replacement. This is the homeowner's responsibility. The cost of replacement is \$125.00 for the first and \$25.00 for each additional one. It will be determined upon our verification of common elements, which takes place prior to closing, or by our alarm inspection company if the unit you are purchasing needs any replacements. You can contact the Administration Office at (631) 744-1660 to check the status.

The Town of Brookhaven is now requiring that each bedroom has a smoke detector. The smoke detector can be battery operated. This also is the homeowner's responsibility.

By signing this, you are acknowledging that you are in receipt of this information.
